Tweedy’s lewisia
*Lewisopsis tweedyi*
showy stickseed

*Hackelia venusta*

state endangered
federally endangered
Taylor’s stickseed

Hackelia taylorii

state sensitive
Taylor’s stickseed
*Hackelia taylori*

showy stickseed
*Hackelia venusta*
Sisyrinchium sarmentosum
pale blue-eyed-grass and...?
Wormskiold’s wormwood

*Artemisia campestris* var. *wormskioldii*

state endangered
former federal candidate
Rare species and ecosystem occurrences in Washington
David Douglas made extensive collections along the Columbia River in 1825; this was likely the trip on which he made the type collection of Wormskiold’s wormwood.

Artemisia borealis var. wormskioldii Besser, Fl. Bor.-Amer (Hooker) 1(6): 327. 1833.
Washington Natural Areas
