Sponsorship Form

2022 Urban Forest Symposium

Thursday, October 6th, 2022

Plant Amnesty and University of Washington Botanic Gardens partner to deliver the annual Urban Forest Symposium, offered virtually & in-person in 2022. This symposium brings in nationally-renowned and locally-relevant speakers on a timely annual topic, informing the decision-making of policymakers, planners and practitioners whose work touches on urban forestry and arboriculture. Symposium sponsorship is a great opportunity to demonstrate your investment in this field and professional community. Your sponsorship ensures the success of this entirely self-supporting event and enables the Symposium to offer students, service corps members, and those facing financial hardship reduced or waived registration fees.
