Washington Park Arboretum

JUNE HIGHLIGHTS

Interactive Map for mobile devices:
botanicgardens.uw.edu/map

1. GRAHAM VISITORS CENTER
   - Seasonal containers, Hardy Fern Foundation display, perennial borders (around Greenhouse)

2. **Tilia** species
   - Lindens
   - Deciduous trees with small flowers and showy, cream colored bracts

3. **Quercus** species
   - Oak collection
   - Majestic deciduous shade trees and smaller evergreen species, part of the National Collection

4. **AZALEA WAY**
   - Iconic feature of the Arboretum, part of the original Olmsted design.
   - Late season azaleas and magnolias against a backdrop of native conifers

5. **WOODLAND GARDEN**
   - Spring flowing stream connects upper and lower ponds. Rockwork was laid out in 1938. Rhododendrons, kalmias, Japanese maples, a large Kousa dogwood and native plants

6. **Magnolia** species and cultivars
   - Small to large deciduous and evergreen trees with showy white, cream-yellow or pink flowers. Part of the National Collection

7. **Rosa mulliganii**
   - Sprawling deciduous vining rose, covered with fragrant white flowers

8. **Philadelphus** species and cultivars
   - Mock orange
   - Deciduous shrubs with fragrant white flowers

9. **RHODODENDRON GLEN**
   - Stream cascades among naturalistic rockwork, with many rhododendrons and spring flowers along route to Azalea Way Pond

10. **Stewartia** species
    - Small deciduous trees with white, camellia-like flowers. Some species features colorful bark

11. **New Zealand Forest**
    - Small-leaved broadleaf evergreens of dramatic form against sweeps of grasses over 2.5 acres

12. **Holodiscus discolor**
    - Ocean spray
    - Deciduous shrubs with textural leaves and frothy white to cream flowers, native to Seattle

13. **JAPANESE GARDEN**
    - Authentic, formal 2.5 acre garden admission fee collected

14. **THE PINETUM**
    - Conifers
    - Evergreen and deciduous conifer species from around the world, ½ mile interpretive trail

15. **FOSTER ISLAND and ARBORETUM WATERFRONT TRAIL**
    - Collections of oaks, pines and native plants and access to waterfront trail connecting to the Montlake neighborhood and main UW Campus
